

Northallerton Camera Club - Club Competitions 2020 – 2021

Please note that Print competitions are suspended for the time being due to the Covid pandemic. They will be reintroduced when it is practical to do so, even mid-season if possible. It is intended that PDI entries will be marked remotely by judges, and scores and comments (where possible) will be sent to all entrants after the event.

The club has five Members Night Competitions from this season on, three of which have a specified 'subject', plus a competition based on the Summer Outings held the previous summer. These competitions allow a maximum entry of three Projected Digital Images (PDI's) per member.

There is normally an Inter-Club competition with Stokesley Photo Society, for which members can submit a maximum of two PDI's and/or two Prints. Our club entry of 15 Prints and 15 PDI's is selected from this pool of images, trying to ensure that each member has at least one image selected in each section. *Note that this event may be subject to amendment.*

A competition for Audio/Visual Presentations has the AV Trophy being awarded to the winner, *but this competition may be suspended for the current season.*
